THE ECO-CLUB (2017-18)

Plantation Drive

Teacher's day celebrated on the 5th of September every year in the remembrance of former president of India Dr. Sarvepalli Radhakrishna. The day is devoted to all teachers and Gurus and their diligence. So, in the spirit of the day, Eco – Club, Kirori Mal College organized a plantation Drive with the perspective to check environment degradation and making surrounding clean and green, as it is one of the main lesson of Gurus. The day started with student's gathering in the Ashoka's Lawn. Around 20 plants were planted in the Ashoka Lawn and herbal Garden of College. All the students were enthusiastic and enjoyed the planting process. We had our respected Principal Dr. Dinesh Khattar Sir, Dr. Kusum Shukla – former head of the Garden committee and Dr. Anita Kamra Verma – Convener of the Eco Club Society, Kirori Mal College which added to the feel of the Event. All the students and the members of eco club took part in the drive enthusiastically to make the event successful.

International Ozone Day, 16th September, 2016

In 1994, the UN General assembly proclaimed 16th September, the International Day for the preservation of the Ozone layer. The event was well organized by the team of Mahatma Gandhi Institute for Combating Climate Change, New Delhi, in the presence of honourable minister (Environment and Forest). The student from Eco Club Society Unit of Kirori Mal College participated in the event. The day started with the Quiz competition followed by speaker session. Many students want prizes for their participation. Many speakers were there with rich experience in different government departments. They addressed lot of insights about ozone layer and the ways to prevent from depletion.

Dettol -Swachh Banega India on 2nd October 2017

As we know, 2nd October is day devoted to Swachhhta. The day when Swachh Bharat Mission was launched to promote the mission, NDTV has organized a Panel Discussion "Dettol Swachh Banega India". It was an audience based interactive panel discussion to promote sanitation and hygiene among all. Apart from other audiences, students from Eco Club Society, Unit of Kirori Mal College were specially invited to express their views on the respective subject. The show was hosted by Vikram Chandra with the experts panel of members from Central Government. They all have given their views on the related topic and expressed how to implement government's schemes related to Swachhhta Mission. At last, Amitabh Bachan Slogan "Mere Das Gaz" was delivered by the Anchor which simply means that if every citizen takes the responsibility to clean the 10 meter of his surrounding, we all will have a Swachh Bharat.

Anti - Cracker Drive on 17th October, 2017

As India grapples, the ill effects of pollution caused by the use of fire crackers on Diwali, the Eco club Society, the Unit of Kirori Mal College organized an anti-cracker rally. All the students of Eco Club Society actively participated and joined us for the auspicious cause of making Earth, the best place to live. Every one contributed their part in the conservation of environment. The volunteers participated enthusiastically holding the banners about the ill effects of pollution caused by the bursting of crackers. All were requested to NOT burn crackers on Diwali.
