

GANDHI STUDY CIRCLE

KIRORI MAL COLLEGE

Concept Note

Objective:

The Gandhi Study Circle aims to promote the ideals, principles, and philosophy of Mahatma Gandhi among college students. It seeks to create a platform for intellectual discussions, workshops, and activities that explore Gandhian values, non-violence, social justice, and sustainable living. The society aims to inspire and empower students to apply Gandhian principles in their lives and contribute positively to society.

Vision:

The vision of the Gandhi Study Circle is to cultivate a community of socially responsible and morally conscious individuals who actively engage with Gandhian philosophy for personal development and societal transformation. Through thoughtful dialogue and practical initiatives, the society seeks to instill the timeless teachings of Mahatma Gandhi in the hearts and minds of students.

Activities:

- **Weekly Discussions and Workshops:** Organize regular sessions for in-depth discussions on various aspects of Gandhi's life, teachings, and philosophy. Conduct workshops to explore how Gandhian principles can be applied in contemporary contexts.
- **Film Screenings and Documentaries:** Arrange screenings of documentaries and films depicting the life and struggles of Mahatma Gandhi, along with discussions to analyze the relevance of his ideas in today's world.
- **Community Outreach Programs:** Undertake social service projects and community outreach initiatives inspired by Gandhian values, such as cleanliness drives, awareness campaigns, and initiatives to support underprivileged communities.
- **Book Club:** Establish a Gandhi-focused book club to read and discuss literature related to Mahatma Gandhi's life, writings, and the impact of his ideas on various societal issues.
- **Guest Lectures:** Invite experts, scholars, and practitioners in Gandhian studies to deliver lectures and share their insights on how Gandhi's philosophy can be applied in the contemporary world.

- **Art and Cultural Events:** Organize events such as art exhibitions, music performances, and theatrical presentations that reflect and celebrate Gandhian ideals.
- **Workshops on Sustainable Living:** Conduct workshops and seminars focusing on sustainable living practices, environmental conservation, and the connection between Gandhian philosophy and ecological sustainability.
- **Annual Gandhi Jayanti Celebration:** Celebrate Mahatma Gandhi's birth anniversary with a series of events, including seminars, cultural programs, and community service activities, to commemorate his legacy.

Benefits:

- **Personal Growth:** Members will have the opportunity for personal development through the exploration and application of Gandhian principles in their lives.
- **Community Engagement:** The society provides a platform for students to actively participate in community service and social initiatives, fostering a sense of responsibility towards society.
- **Cultural Exchange:** Through various events and activities, the Gandhi Study Circle will facilitate cultural exchange and understanding among students with diverse backgrounds and perspectives.

By establishing the Gandhi Study Circle, we hope to create a vibrant community that embraces Gandhian values and contributes to the development of a more compassionate, just, and sustainable society.
